ContactSkin® for men: the product

## INVISIBLE, SAFE, NATURAL AND EFFECTIVE: THE INNOVATIVE MEMBRANE-BONDING-SYSTEM

With **ContactSkin® for men**, the proven alternative to a toupee or surgical hair transplants. The membrane becomes part of you. Impossible to see or feel.

100 % human hair of the highest quality is v-looped hair by hair into the thinnest (0.04 mm) transparent membrane.

### The result:

A perfect membrane-bonding-system that merges on the scalp and holds as firmly and invisibly as a contact lens on the eye.

ContactSkin® for men: stories of success

## 100% MY STYLE. MY HAIRCUT: AS VERSATILE AS ME.

"Being a creative freethinker, I love to express my mood with different looks. Thanks to **ContactSkin® for men**, this is finally possible again! I used to hide shamefully my bald areas under caps – today I am experimenting again with cuts, styles and colors! By the way: Not even my girlfriend knows my little secret."

One year ago, Daniel P. (29) opted for **ContactSkin® for men** because of his pronounced receding hairline.

**Man Bun:**  
The perfect  
5-minute hairstyle.

**IT IS TIME FOR A NEW STYLE!**

AFTER 4-6 WEEKS, I HAVE A NEW APPOINTMENT WITH MY SPECIALIST HAIRDRESSER.

**CASUAL:**

GETTING UP, WASHING THE HAIR,  
BLOW DRYING - READY. SUPER EASY!

## MY NEW ME: SELF-CONFIDENT IN EVERY SITUATION.

"I like being active and surrounded by people. However, with my thin hair I felt more and more insecure. A colleague recommended **ContactSkin® for men** – my life changed completely. Finally, I feel free and self-confident, again! All my family and friends are delighted by my new me – if they wouldn't have known me before, they never would have thought that I wear **ContactSkin® for men.**"

ContactSkin® for men: your advantages

## INCREASE HAIR VOLUME WITHIN TWO HOURS WITHOUT SURGERY AND PAIN

**Attractive:** absolute natural hairline and individual styles

**ContactSkin® for men** gives you natural volume with 100% premium human hair as well as many different styling possibilities with length, cut and color.

**Easy:** Shiny, healthy hair with zero care effort

Usually a follow up appointment with your hairdresser needs to take place within 3 – 6 weeks. Your scalp will be cleaned thoroughly and a new **ContactSkin® for men** will be applied. The regular exchange guarantees great hair all the time.

**Comfortable:** Wear in complete comfort 24/7 safe and skin compatible

You do not feel the ultra-thin membrane on the scalp. It is breathable and can be worn day and night without any problems.

**Secure:** strong hold thanks to innovative bonding technique

No matter if sauna, pool or cabriolet, it's safe: The revolutionary membrane-bonding-system holds like a contact lens on the eye and is water resistant.

## SELF-CONFIDENCE IN A BLINK

The application of **ContactSkin® for men** is quick and easy. The innovative membrane-bonding-system is available in more than 50 shades. Moreover, customized wishes can also be produced.

**ContactSkin® for men** will be applied on the scalp with a skin-friendly, tested bond and lasts up to 6 weeks. Afterwards, it will be exchanged with a new hair piece by a hairdresser.

### **Your advantage:**

You will always have shiny, healthy hair and you can change your style according to your personal wishes.

**A |** The membrane-bonding-system will be rolled on the scalp from the front to the back and exactly cut in shape. The result is, that the hair system can neither be seen nor felt.

**B |** Your hairdresser cuts the PU-membrane exactly in shape of your bald area.

**C |** Perfect Style – even at a close look!
